CCC finalises review of WA Police Force investigations

The Corruption and Crime Commission has finalised its review of two separate WA Police investigations into alleged use of excessive force against a couple in December 2016.

Its *Review of an arrest incident by Western Australian Police at Hamilton Hill* was tabled in State Parliament today, confirming the conclusion reported by Police and media earlier this year – that both Police investigations were adequate; that the Internal Affairs Unit (IAU) investigation was thorough and to a high standard; and there is no opinion of misconduct.
